Subject: Comment in support of RIN 1210-AB30

April 24, 2010

I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

Mental health problems can be every bit as debilitating as physical health problems, and in some ways harder to live with because of the stigma around them. But when cared for properly, many mental illnesses are just as treatable or manageable as appendicitis or back pain.

Please help protect some of our most vulnerable citizens, and make sure they can get the care they need.

Sincerely,

Elizabeth More
