Subject: Comment in support of RIN 1210-AB30

April 24, 2010

RE the Paul Wellstone and Pete Domenici Mental Health Parity and  
Addiction Equity Act of 2008 (RIN 1210-AB30).

I have been in behavioral health for 22 years as both a provider and  
consumer. I believe ALL health insurance plans should provide both  
coverage and equity.

Thank you.

Sincerely,

Ingrid Kail
