Subject: Comment in support of RIN 1210-AB30

April 24, 2010

I am writing in favor of the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

I support the strong rule that would forbid insurance companies from charging higher co-payments, deductibles, and other out-of-pocket expenses for mental health treatment than they would for other physical health care.

Thank you for ensuring that mental health care and physical health care coverage are included in a single deductible or co-pay.

Sincerely,

Leslie Wilson
