Subject: Comment in support of RIN 1210-AB30

April 24, 2010

I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

I support the strong rule that would forbid insurance companies from charging higher copayments, deductibles, and other out-of-pocket expenses for mental health treatment than they would for other physical health care. Thank you for ensuring that mental health care and physical health care coverage are included in a single deductible.

I believe that all Americans should be charged the same no matter their pre-existing conditions.

Sincerely,
