Subject: Comment in support of RIN 1210-AB30

April 25, 2010

I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

I support the strong rule that would forbid insurance companies from charging higher copayments, deductibles, and other out-of-pocket expenses for mental health treatment than they would for other physical health care. I also support any restrictions that can be placed on the evil thievery that these "Death Panels" get away with every day, insurance companies are crooked evil companies who only care about their bottom line! Thank you for ensuring that mental health care and physical health care coverage are included in a single deductible.

Sincerely,

Michael Harding
