Subject: Comment in support of RIN 1210-AB30

April 25, 2010

I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

I support the strong rule that would forbid insurance companies from charging higher copayments, deductibles, and other out-of-pocket expenses for mental health treatment than they would for other health care treatments for physical conditions. Thank you for ensuring that mental health care and physical health care coverage are given parity with a single deductible applicable to both.

Sincerely,

Linda Behret
