Subject: Comment in support of RIN 1210-AB30

April 26, 2010

I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

I support the strong rule that would forbid insurance companies from charging higher copayments, deductibles, and other out-of-pocket expenses for mental health treatment than they would for physical health care, and ensuring that mental health care and physical health care coverage are included in a single deductible.

Please do this - it is fair and just, reasonable and compassionate.  
Thank you.

Sincerely,
