17802 Freida Lane

Spring, TX, 77379

Email: elc_jan@shsu.edu

Phone: 832-654-5833

Organization: Sam Houston State University

General Comment

These new rules will help millions of citizens access the mental health help they need. In my state (Texas), one in five people suffer from a serious mental health issue. Imagine how this impacts families, schools, and work settings! When help is available, Americans will experience increased employment rates, reduction of symptoms that impair quality of life, and higher rates of success among school aged children.
