Department of Labor
200 Constitution Ave. NW
Washington DC 20210

Dear Secretary Thomas Perez,

Hope this note finds you and your family in good health and in good spirits!

Speaking as the only person, let alone the only financial advisor to ever put a billionaire in jail, I would say you are engaged in some intellectually and ethically dishonest assertions in regards to the DOL Fiduciary Rule.

I want to take you on a client tour with me to some of the lowest eco-social markets in the United States and show you what financial advisors who really care do for clients; fiduciary rule be damned!

I respectfully request equal time in front of the next Congressional Committee hearing to counter the misinformation you present to such a body to confront you on your positions.
