General Comment

I just came in from working in my yard, sweating in the PM heat, the LAST thing I wanted to hear is you WASHINGTON numnuts trying to take over what I've worked my entire life for. Will you folks PLEASE try so very hard for just once to leave us the hell alone !!!!!

I heard an example just the other day - it went like this you guys take half the country & we'll take the other half - you choose, & then with you're unavoidable habit of sticking you're noses in other peoples business & trying so very hard to control their monies - let's see whom crosses the borders first - I wonder whom it would be ???!

I know this note will fall on deaf ears so deal with it as you wish.

Please leave our lives alone - etc...
