General Comment

Dear Mr. President, It is not your job to fool with our retirement money. We are smart enough to know how to spend it ourselves. Thank you for your understanding..

We think you are imposing too much government into our lives. We do not like the decisions you are making. Is Valorie Jarrot , your most trusted adviser born in Iran, making all your decisions? Especially those decisions you are making about Iran and the nuclear bomb. Please do not lift the sanctions. If the Iranians have a nuclear bomb, Israel will be their number one target and then we're next.
