General Comment

DO NOT CHANGE MY 401K!!! I am fully capable of using my money the way I see fit! I have saved my entire life and I do not need the government telling me how to spend or save my money. Keep your hands off of everyone's 401k's!!!! They DO NOT need any intervention from our government. You can work to FIX the people who run the financial institutions and are doing illegal things but keep your hands off of my money.
