Document: EBSA-2010-0050-DRAFT-1924

Comment on FR Doc # 2015-14921

Submitter Information

Name: Cherie Suhy

General Comment

I am tired of the Federal government micromanaging my life. It seems they think their number one job is to control we the people. We worked hard and took personal responsibility for the day we could retire and have the right to control how we spend and what we spend our money on. Your job is to keep this country safe period. Not interfere in our private life.
