General Comment

Ive spent my entire life working towards my retirement - which I have yet to be old enough to use - and I DO NOT need a government bureaucrat who knows absolutely nothing about me - and who probably does not care about me either - dictating how I manage my retirement savings!! The abject dishonesty and incompetence of the U. S. Government that has been demonstrated during the Obama administration's tenure does not engender ANY confidence on my part that the Department of Labor should have ANY say over my retirement!! I'll plan for my own retirement, thank you!
