Document: EBSA-2010-0050-DRAFT-2103

Comment on FR Doc # 2015-14921

Submitter Information

Name: K. Craig Keate

General Comment

The American investor has the personal responsibility for their investments and receives the outcomes of their investment decisions whether good or bad. As such they deserve the widest possible choice of investment options available to them without government intervention and oversight. Government interference in these choices will eventually lead to government control over investments that will limit pursuit of life, liberty and happiness.
