Re: Conflict of Interest Rule, RIN 1210-AB32  
Proposed Best Interest Contract Exemption, ZRIN: 1210-ZA25

Dear Jeffrey J. Turner, Deputy Director, Office of Regulations and Interpretations at Department of Labor,

I've worked hard to save for retirement. I should be able to trust my financial adviser to put my interests first. But loopholes in the current rules make it easy for some advisers to take advantage of hard-working Americans like me and line their own pockets with our retirement savings.

Financial advisers should be working in our best interest and should be held genuinely accountable for helping everyday Americans choose the best retirement investments. It's time for the Department of Labor to close this loophole now by finalizing RN: 1210-AB32.

Signed,
