Subject: Thank you for supporting birth control access for all women

Dear Kathleen Sebelius, Secretary of Health & Human Services,

I commend the Department of Health & Human Services' landmark decision requiring health insurers to cover the full cost of contraception, with no co-pay, beginning in August 2012.

Women's health should be the backbone of any nation's health care policy. Birth control is critical, and allows women to make smart, responsible family planning decisions that will contribute to a great savings in health care costs in the long run.

Thank you for prioritizing women's basic health care needs.

Sincerely,

Erin Frank
