Subject: Reasonable & Robust Conscience Protections Should be Enacted
Date: Thursday, August 04, 2011 10:30:08 PM

Praised be Jesus Christ!

Dear Friends,

I am writing to ask you to enact reasonable and robust conscience protections for all Americans, not just "religious employers". Citizens of our fine nation should not be forced to cooperate in immoral acts by participating in or cooperating with the sterilization operations, giving of contraception or abortion-inducing drugs. Reasonable and robust conscience protections for all Americans must be enacted. Thank you for your time in reading this e-mail. God bless you and may God bless America!

Sincerely in Christ,
Sister Judith-Marie Evanowski, O.Carm.
