To Whom It May Concern:

Please rescind the unjust and coercive mandate that all "contraceptives" and sterilization procedures be covered by private health insurance. I object to this morally, religiously, financially and constitutionally.

No Americans should be forced by the federal government to essentially subsidize services they object to. I again urge you in the strongest way possible to reverse course and remove contraceptives and sterilizations from the list of mandatory preventive services.

Sincerely,  
Mike Bailey
