Phone: (661) 299-4004

Organization: own family

General Comment

I am registering my opposition to a rule which discriminates against women, not based on their own values and beliefs, and could only serve to put them in danger of suffering even death, while giving their employers power over their health based on the unreasonable beliefs of the employer. This is grossly unconstitutional and not protecting of a woman's right to life liberty and the pursuit of happiness.
