## Submitter Information

**Name:** Donald Goodwin

**Address:**

Washington, DC,

---

## General Comment

Please maintain your commitment to the First Amendment and the integrity of medical science. Do not let religious dogma dictate the policies of our government especially where science has given us good understanding. We don't let the Jehovah's Witnesses beliefs against blood transfusions dictate the practices of public medical facilities. Please maintain this practice when determining how medical facilities will counsel and treat women and reproductive health.
