General Comment

As a REALTOR- I have not had health insurance for 7 years. The AFFORDABLE HEALTH CARE ACT is not affordable for me. Please amend President Trumps proposed expanding changes to include "Association Health Plan" options. This proposal must include "independent contractors" like myself who fall through the cracks. I look forward to the "National Realtors Association" having a health care plan option. Actually I also look forward to going back to me being able to secure Health Insurance on my own and at anytime during the year and the government staying out of it, but until then please include INDEPENDENT CONTRACTORS WITH ASSOCIATION AFFILIATION THE CHANCE TO HAVE HEALTH INSURANCE. Thank you! 01/19/2018
