Document: EBSA-2018-0001-DRAFT-0165

Comment on FR Doc # 2017-28103

Submitter Information

Name: B. LaTourette

General Comment

My husband and I were never without insurance, because I'm a diabetic. Being a dairy farmer and not receiving sufficient premiums for our milk made us struggle to pay the high cost of insurance. We had to reconsider our health coverage plan and take a higher deductible and pay a lower premium that we could afford. With the higher deductible you pray that nothing will happen to you or you never get sick.
