General Comment

Why wouldn't you allow associations to administer health plans for members? It seems it would benefit everyone. Last year I paid \$1250/month(!) for me, my husband, and son. RIDICULOUS. This year we have some weird non-insurance insurance with a \$10,000 deductible that is not HSA compatible(!) for \$950/month(!). Again, RIDICULOUS.

Please widen the scope to include various groups, organizations, associations, etc. so that we can all afford to have health insurance coverage.

Thank you,

T. May
