General Comment

Please help make Healthcare affordable!!! I am a hard working Realtor and I am at my wits end trying to get health care coverage that I used to get through the corporate jobs I held... it doesn't exist. My current healthcare bill to maintain what I had in 2017 has gone up to \$1,500 a month! Who can pay this? It is the salary of an employee, which I would love to have, but the corrupt system makes it impossible to expand my very small business.
