Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-0645
Comment on FR Doc # 2020-13705

Submitter Information

Name: David Sweet

General Comment

I am strongly opposed to the proposed rule to restrict the use of environmental, social, and governance (ESG)-themed investments within tax-qualified retirement plans governed by the Employee Retirement Income Security Act (ERISA).

I do NOT want to limit my choices for investments and I want to be able to evaluate investment options with my financial advisors.

I do not need unnecessary governmental interference
