Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-0826
Comment on FR Doc # 2020-13705

Submitter Information

Name: Nancy Wiens

General Comment

I wholeheartedly oppose this new rule. Every investor value should be able to be considered by their financial advisors. The guidelines of ESG are no exception. Our government policies are meant to insure honesty and justice, not restrict the expression of individual values but imposing financial priorities of the Executive Branch.
