Document: EBSA-2020-0004-DRAFT-0834
Comment on FR Doc # 2020-13705

Submitter Information

Name: Jeff Kroll

General Comment

Simply put, I wish to say that I am in favor of RIN 1210-AB95, the rule proposed by the Employee Benefits Security Administration of the Department of Labor. Side issues and secondary goals will come and go, but a straightforward focus on return of investment for a pensioner or beneficiary surely must remain the primary issue and main goal. Thank you.
