## General Comment

Office of Regulations and Interpretations  
U.S. Department of Labor  
Washington, DC 20210

Attention: Proposed rule on Financial Factors in Selecting Plan Investments (RIN 1210-AB95)

To whom it may concern:

I am an investor and I choose companies based on their environmental and human rights concerns. I strongly object to reducing my choices as well as helping to destroy investment companies that seek ethical choices.

I respectfully ask that the US Department of Labor withdraw this rule and continue to allow plan managers to operate within a free and fair marketplace.

Sincerely,

William Derman (Professor)
