Document: EBSA-2020-0004-DRAFT-1164
Comment on FR Doc # 2020-13705

Submitter Information

Name: Edina Broussard

General Comment

It is so good to know there are efforts you are taking to prevent retirement savings from being used to invest in non-biblically responsible and dangerous interests for political gains. This critically important and many folks do not realize this activity is so prevalent and that hard earned retirement savings are being used to fund abortion, and put those investments at risk.

Thank you for your hard work in this regard.
