Being a delegate within a Union requires me to report back to Local union members on items District Council is involved in. Reporting on Council activities on the Multi Person Definitive Pension Plan Fund is proving to be quite a challenge with all these new amendments and finding when and where posted.

My concern is with all this continual need to refine the information gathering process is clearly becoming apparent to the more changes the easier it becomes file the form 5500 using the inform and examples given only leads to the end of the pension
