Subject: reference-based pricing
Date: Sunday, June 08, 2014 4:23:15 PM

Dear Sir or Madam:

I think if reference-based pricing is going to be allowed, there MUST be a way to protect the consumer so that they are not subjected to huge medical bills due to lack of proper notification of this pricing method by their plans. If this is not done there will be more consumers filing for bankruptcy due to the inability to pay their medical bills.
