Comment on FR Doc # 2019-22901

Submitter Information

Name: Jimmy Knight

General Comment

Why are you making it harder to keep up with our pension and 401k information?? It's hard enough now to get what we need and we don't need changes to make it even harder to get the information we need when we need it. My pension is in the endangered status and the last thing i need is to make it even harder to keep up with this info.
