Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Comment On: EBSA-2021-0013-0001

Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Submitter Information

Name: Anthony Conte

General Comment

I am vehemently opposed to the proposed rule which would allow pension fund managers to engage in financially questionable virtue signaling that will hurt pension fund returns and ultimately retirees. Pension fund managers must not be allowed to be influenced by politically motivated pressure groups. The best financial interests of retirees must be the paramount criteria for all investment decisions.
