Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Document: EBSA-2021-0013-DRAFT-2845

Submitter Information

Name: Charles Gaddy

General Comment

My retirement funds, that my and I have sacrificed tremendously over the years that we worked, to modestly accumulate and invest , have served to keep us just above the poverty line, do not belong to the U S Government--not in any form nor fashion--to steal from us! Our very modest retirement funds are not to benefit investment bankers nor government bureaucrats. Hands Off!
