Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Document: EBSA-2021-0013-DRAFT-2911

Submitter Information

Name: ALMIRA SANT

General Comment

WE have worked our whole lives and saved to ensure we can have sufficient income to cover our expenses. We do not believe that our government who we have supported all these years has the right to tax our retirement accounts more than they currently are. Un realized gains being taxed would force us to go to all holdings outside the USA.
