General Comment

The Biden-Harris Administration is trying to force your investment managers to use YOUR RETIRMENT MONEY to invest in "woke" corporations instead of what's best for your financial future.

That's insane! And if you don't take action now, they'll ruin your retirement plans and use your money to invest in Leftist corporations.

If this joke administration continues, I will pull ALL my money out!!!
Get a clue, for the PEOPLE by the PEOPLE!!!!
