General Comment

Mr. Biden, haven't you already done enough to bring this country to it knees. Build back better, or did you mean build back broke. You have tried to destroy this country for your own political propaganda and false narratives and blantant lies. Thr Bible says we reap what we so, so be prepared for judgement day when it's upon you. Leave our constitional and Bill of rights alone. We will not bow down to your commands as the only person I shall ever bow down to is my Lord and Savior Jesus Christ. Enough is enough and American people are just plan tired of your communistic, socialism and Marxism. Enough is enough.
