

Appendix A3: Notes on Changes to the Group Health Plans Report

March 2014

- Table A11 was revised to both include values that were previously excluded and to correct certain published values. All rows in all subtables were affected.

July 2015

- Table A8 was revised to correct certain published values. All values for “Noncollectively bargained plans” were affected.
- Table B2 was revised to include values that were previously excluded. The “11-25” row of the “Plans with fewer than 100 Participants & Trusts” was the only row affected.
