**ADDITIONAL COMMENTS:**

The adult program continues to prioritize service delivery to priority populations across Iowa, who generally, are those with the most barriers to employment and difficult to serve. Both credential attainment and measurable skill gains saw increases this reporting period, which reflects positively on the technical assistance and training we have been providing. Iowa is incorporating ongoing performance monitoring during Program Year 2023, and we hope to see consistency and increases in all performance outcomes throughout the Local Workforce Development Areas.

<sup>1</sup>Applies to Title I only.  
<sup>2</sup>This indicator also includes those who entered into a training or education program for the Youth program.  
<sup>3</sup>Credential Rate and Measurable Skill Gains do not apply to the Wagner-Peyser program.  
<sup>4</sup>Barriers to Employment are determined at the point of entry into the program.
