ADDITIONAL COMMENTS:

Michigan reports low numbers of participants Exhausting TANF within 2 years because we do not receive that data from our Department of Health and Human Services. Michigan relies on the participant's willingness to share that information with their Case Manager.

Definition of Migrant and Seasonal Farmworkers on ETA 9169 specifications states Migrant and Seasonal Farmworker Status at National Farmworker Jobs Program Entry (WIOA sec. 167) > 0. Michigan does not administer the NFJP program.

¹Applies to Title I only.

²This indicator also includes those who entered into a training or education program for the Youth program.

³Credential Rate and Measurable Skill Gains do not apply to the Wagner-Peyser program.

⁴Barriers to Employment are determined at the point of entry into the program.
