Uranium miners, millers, and ore transporters, as well as, current and former employees of any facility involved in nuclear weapons production are encouraged to attend.

**Presentations Begin: 10:00 a.m.**

**Staff Availability:  
10:00 a.m. to 2:00 p.m.**

**On-site services will include:**

- Case status updates
- Claims filing
- Medical bill status updates

### Joint Outreach Task Group

U.S. Department of Labor, U.S. Department of Justice Radiation Exposure Compensation Act (RECA) Program, U.S. Department of Energy and their Former Worker Program, National Institute for Occupational Safety and Health, and the DOL and NIOSH Offices of the Ombudsman

The EEOICPA provides lump-sum compensation and medical benefits to current and former nuclear weapons workers whose illness is a result of working in the nuclear weapons industry. Survivors of qualified workers may also be entitled to benefits. Covered illnesses include but are not limited to radiation-induced cancer, chronic beryllium disease, beryllium sensitivity, chronic silicosis, or any illness due to exposure to toxic substances.
