

Exposure and Causation Presumptions

The Office of Workers' Compensation Programs (OWCP), Division of Energy Employees Occupational Illness Compensation (DEEOIC), invites you to a webinar to learn about exposure and causation presumptions and the role they play in the claims adjudication process.

Summary of topics that will be discussed:

- Health effects and sources of exposure
- Exposure and causation presumptions overview
- How presumptions were developed and how they are updated
- Role of the Advisory Board on Toxic Substances and Worker Health
- Recent additions to exposure and causation presumptions
- Case example

Discussion led by:

John Vance, Policy Chief, DEEOIC

February 22, 2023

2:00 – 3:30 p.m. ET

REGISTER HERE

Register by February 22, 2023, 12:00pm, to join this critical discussion. Participants may submit questions ahead of time to DEEOIC-Outreach@dol.gov or submit their question online during the webinar presentation. Closed captioning will be available for attendees.

About EEOICPA:

The Energy Employees Occupational Illness Compensation Program Act provides lump-sum compensation and medical benefits to current and former nuclear weapons workers whose illness is a result of working in the nuclear weapons industry. Survivors of qualified workers may also be entitled to benefits. Covered illnesses include radiation-induced cancer, chronic beryllium disease, beryllium sensitivity, chronic silicosis, or any illness due to exposure to toxic substances.
