

Stakeholder Updates Webinar

The Office of Workers' Compensation Programs (OWCP), Division of Energy Employees Occupational Illness Compensation (DEEOIC), invites you to join us for a stakeholder update webinar. This event offers you the chance to engage directly with OWCP Director Christopher Godfrey, DEEOIC Director Rachel Pond, and DEEOIC Deputy Director Doug Pennington. Together, they will provide insights into various recent actions and initiatives within the Division. The webinar will culminate with a dedicated Q&A session, where audience questions will be addressed. Feel free to submit questions prior to the webinar at the email below or participate in the live Q&A during the webinar.

Moderators will discuss:

- Update from OWCP Director Christopher Godfrey
- Recent changes to eligibility criteria for Beryllium Sensitivity
- Recent changes to the Federal (EEOICPA) Procedure Manual
- DEEOIC customer experience initiatives
- Upcoming in-person & virtual outreach events
- Recommendations from the Advisory Board on Toxic Substances & Worker Health

Discussion led by:

Christopher Godfrey, Director, OWCP

Rachel Pond, Director, DEEOIC

Doug Pennington, Deputy Director, DEEOIC

About EEOICPA:

The Energy Employees Occupational Illness Compensation Program Act provides lump-sum compensation and medical benefits to current and former nuclear weapons workers whose illness is a result of working in the nuclear weapons industry. Survivors of qualified workers may also be entitled to benefits. Covered illnesses include radiation-induced cancer, chronic beryllium disease, beryllium sensitivity, chronic silicosis, or any illness due to exposure to toxic substances.
