This webinar is an opportunity to hear from each Ombudsman's Office. Representatives from the U.S. DOL and NIOSH Ombudsman's Offices will discuss their role in the Energy Program and how they can assist you with your claim. The webinar will conclude with answers to your questions. You can submit questions during the webinar or in advance at DEEOIC-Outreach@dol.gov.

The Energy Employees Occupational Illness Compensation Program Act provides lump-sum compensation and medical benefits to current and former nuclear weapons workers whose illness is a result of working in the nuclear weapons industry. Survivors of qualified workers may also be entitled to benefits. Covered illnesses include radiation-induced cancer, chronic beryllium disease, beryllium sensitivity, chronic silicosis, or any illness due to exposure to toxic substances.
