 Party-in-Interest) ORDER

The Board has received claimant's request for modification accompanied by medical reports. Accordingly, this appeal is dismissed and the case remanded to the district director for consideration of the request for modification. 20 C.F.R. §802.301.

Once a final decision on the petition for modification is issued by an administrative law judge, the case may be reinstated on the Board's docket if modification is denied. The case will be reinstated by the Board only if the petitioner requests reinstatement. The request for reinstatement must be filed with the Board within thirty (30) days of the date the decision on modification is issued and must be identified by the Board's docket number, BRB No. 04-174 BLA. If reinstatement is requested, the Board will consider only the issues raised in the appeal of the Decision and Order Denying Benefits issued on October 2, 2003.

After modification is processed by the district director, the case may be transferred to an administrative law judge for a hearing pursuant to the regulations. In the event the administrative law judge denies modification and the petitioner wishes the Board to consider not only the original appeal, but also whether the administrative law judge erred in denying modification, a Notice of Appeal of the decision denying modification must be filed, in addition to the request for reinstatement. The Notice of Appeal must also be filed with the Board within thirty (30) days of the date on which the decision on modification is filed. 20 C.F.R. §802.205. The appeal of the decision on modification will be assigned a new docket number and will be consolidated with the appeal, BRB No. 04-174 BLA.

In the event an administrative law judge grants modification, any party who is aggrieved by the decision granting modification may file an appeal with the Board within thirty (30) days of the date the decision granting modification is filed. 20 C.F.R. §§802.205, 802.301(c).
