Posting of Hearing Transcript Regarding Proposed Amendment to Prohibited Transaction Class Exemption 84-14 (the QPAM Exemption) and Closing of Reopened Comment Period

Submitter Information

Name: Marco Spera

General Comment

I support any efforts to hold criminals accountable. The penalty for abusing public trust and committing a crime should not be to seek exemption. This proposed amendment describes "integrity" as the fulcrum which this institution rests upon; yet, it goes on to carve out exemptions for those with little to none.

I support this amendment and hope to see more with stronger language, guard rails, and heavier criminal penalties.
