General Comment

We want justice. We have paid enough. We have suffered enough. Use the money they steal to fund what you need to get these criminals in prison. It's that easy. Up your fines to the the amount or more that they steal or stole. Not a 1 percent fine, they count on the fine they add it to the cost of business. The people are not going away so do your jobs and act or get out the way and let's other who will be in your position. Be the hero here.
