## General Comment

Disgustingly obvious that they won't change their malicious behavior, especially when the punishment is so toothless they can just expect to be forgiven for any transgression. Stop letting these financial criminals walk off with your countrymen's livelihood. Start giving a damn about the future nation you're leaving your children. You're rich so that means the laws don't apply to you? Ridiculous. Hang these traitors. Send a message to the rest of the cartel members. Change your approach to one that is successful and stop this insanity. Poor and disenfranchised Americans need you now more than ever.
