

LABORNET

Phase 1 Open Forum

This message is intended for all DOL Federal Employees.

Good afternoon,

Phase 1 of DOL's Reentry Plan begins on January 3, 2022. During Phase 1, occupancy limits at DOL worksites will be raised to 50 percent. Employees who are currently performing work onsite or are required to return to onsite work in Phase 1 have received notices. For more information about reentry phase dates and occupancy rates, please visit the [DOL Reentry Information](#) page on LaborNet.

We are holding a **Phase 1 Open Forum on Tuesday, December 14, 2021, from 12:00pm – 1:00 pm ET** to share reminders, provide updates, and answer questions from Phase 1 staff. We encourage all employees who have been directed to return to onsite work in Phase 1 to attend. Supervisors of Phase 1 staff, as well as staff who are voluntarily returning to onsite work in Phase 1, are also welcome to attend. This meeting will be recorded, and the recording can be accessed at any time after the event starts by clicking the meeting link.

Please note that this Open Forum discussion will be limited to topics related to Phase 1 reentry. If you have questions about Phases 2 or 3, please stay tuned for future Open Forums specific to those reentry phases.
